

# TOP TEN 2017

**Business + Human Rights Issues**

The human rights challenges expected in 2017 reflect a stark shift in social, political and economic drivers at the global level. At risk is the erosion of an international system upholding human rights protections and the rule of law, which could impact societies, economies, and businesses.

The human rights movement faces a difficult future in 2017, and it is up to all actors – civil society, governments as well as businesses – to champion the issues people care about and make human rights relevant to peoples’ daily lives.
